THE SCOTS COLLEGE WOMEN’S ASSOCIATION

Non-Executive Committee Volunteer Form

Class Parents and Year Coordinators

In the Preparatory School each class (Transition to Year 6) is represented by one or more Class Parents and in the Senior School each year group (Years 7 to 12) is represented by Year Coordinators.

Being a Class Parent or Year Coordinator is a great way to meet other parents in your year group and contribute to your son’s school community. These roles run from the commencement of Term 1 through to the end of the school year and they are not part of the Women’s Association Executive Committee.

If you wish to enquire about volunteering for one of these positions, please complete the section below:
